Here's what our staff have to say...

BSC IN APPLIED DATA SCIENCE

Luned Francis

Data Analyst Apprentice

I enjoyed learning more about data and finding ways of incorporating the learning into work.

LEVEL 3 IN CIVIL ENGINEERING

Arwel Hughes

Civil Engineering Apprentice

I cannot praise the apprenticeship enough, I've learnt so much since I started a year and a half ago its unbelievable!

LEVEL 4 DIPLOMA IN DIGITAL MARKETING

Lloyd Howells

Social Media Apprentice

My qualification was predominantly online, which worked perfectly for me, as it allowed me to balance my work and study well.

CIOB LEVEL 4 COURSE IN BUILDING CONTROL

Aled Williams

Building Control Apprentice

I enjoyed developing new skills and completing assignments alongside studying.

ENERGY & CARBON MANAGEMENT LEVEL 3

Aminah Ali

Carbon and Energy Apprentice

The course was excellent and I implemented what I learnt into my day to day role at the council.

LEVEL 5 LEADERSHIP AND MANAGEMENT APPRENTICESHIP

Ryan James

ICT

The learning was very interactive which made it more engaging with lots of resources available, live chats, and breakout rooms.

Lorna Townsend

Transformation & Equalities

The apprenticeship allowed me to study whilst working, and to take what I was learning and use immediately within my role. I feel completing the apprenticeship has had a positive impact on my current role and has opened up development opportunities.

Rebecca Philpott

Customer Contact Centre

Completing a qualification is such a great sense of achievement!!

CIPD LEVEL 5 IN PEOPLE MANAGEMENT

Sarah Miles

Workforce Development

I really enjoyed the course as the topics expanded my knowledge and skills within my role and challenged me to develop further.

Stacey Watkins
