

PAY POLICY STATEMENT 2020-2021

Published in accordance with section 43 of the
Localism Act 2011

1. INTRODUCTION

- 1.1 The Local Government Act 1972 (Section 112) sets out the Council's '*power to appoint officers on such reasonable terms and conditions as the Authority thinks fit*'. More recently the requirements within Section 38(1) of the Localism Act 2011 sets out the need for Welsh and English local authorities to produce and publish a Pay Policy Statement for each financial year.
- 1.2 This Policy details the:
- Council's policies towards the remuneration of Chief Officers;
 - Council's policies for the remuneration of its lowest paid employees;
 - Relationship between the remuneration of its Chief Officers and other employees
- 1.3 Section 38(4) of the Act requires Council's to publish:
- the level and elements of remuneration for each Chief Officer;
 - remuneration of Chief Officers at recruitment;
 - additions and increases to remuneration for Chief Officers;
 - the use of performance related pay for Chief Officers;
 - the approach to the payment of Chief Officers of their ceasing to hold office under or to be employed by the authority;
 - publication of and access to information relating to remuneration of Chief Officers
- 1.4 Furthermore, measures have been introduced as part of the Local Government Democracy (Wales) Act 2013, Local Authorities (Standing Orders) (Wales) (Amendments) Regulations 2014 and Welsh Government Guidance on Pay Policy Statements. These measures aim to create a more open and transparent senior pay policy. The additional measures include the need for:
- Council to vote on all determination or changes to JNC Chief Officer pay including Nationally negotiated pay rises;
 - the Council to publicly advertise all JNC Chief Officer vacancies externally (over £100,000);
 - Chief Officer severance packages over £100,000 to be taken to full Council.
- 1.5 This Pay Policy Statement supersedes the Pay Policy Statement 2019/20 by including the additional measures alongside the existing measures found within the previous Statement.
- 1.6 It should be noted that Merthyr Tydfil County Borough Council, an employer of circa 1,000 employees (non-schools) and delivers complex services such as social care, regeneration, waste services, highways and engineering, and housing benefits to name but a few. The remuneration levels for each professional and technical area may be driven by other external or local influences. For the Council to respond to these markets, remuneration levels may differ between each group. This discretionary flexibility is required to respond to the local circumstances.

- 1.7 In the interest of transparency there are details of pay and grading charts within the appendices plus additional information on Chief Officer pay.
- 1.8 This Statement shall be publicised following an update every year. In addition, as required under the Accounts and Audit (Wales) (Amendment) Regulations 2010, posts where the full time equivalent salary levels as denoted in the Regulations shall include a note within the Annual Statement of Accounts setting out the total amount of:
- Any bonuses so paid or receivable by the person in the current and previous year;
 - Salary fees or allowances paid to or receivable by the person in the current and previous year;
 - Any sums payable by way of expenses allowances that are chargeable to UK income tax;
 - Any compensation for loss of employment and any other payments connected with termination;
 - Any benefits received that do not fall within the above.

2. LEGISLATIVE FRAMEWORK

- 2.1 In addition to the above legal requirements, Merthyr Tydfil County Borough Council (the Council) will comply with the following legislation:
- Employment Rights Act 1996;
 - Equality Act 2010; including the Public Sector Equality Duty (Wales)
 - Employment Act 2002;
 - Part time Employment (prevention of less favourable treatment) Regulations 2000;
 - Agency workers Regulations 2010;
 - Transfer of Undertakings (Protection of Employment) Regulations 2014;
 - National Minimum Wage Regulations 1995;
 - Fixed Term Employees (prevention of Less Favourable Treatment) (Amendment) Regulations 2008;
- 2.2 With regard to the equal pay requirements contained within the Equality Act, the Council has sought to ensure that there is no unlawful discrimination within its pay structures and that all pay differentials can be objectively justified through the use of a valid job evaluation scheme which directly relates basic pay to the requirements, demands and responsibilities of each role.

3. SCOPE OF POLICY STATEMENT

- 3.1 The Localism Act 2011 requires authorities to develop and make public their Pay Policy Statement on JNC Chief Officer remuneration (including on ceasing holding office) and their Policy for the lowest paid employees, explaining the relationship between Chief Officers and other workforce groups.

- 3.2 In the interest of transparency, the Council has chosen to produce a Policy Statement that is broader than the legal requirements. It also acts as a Policy for setting out the requirements for wider remuneration for the whole Council, namely Acting Up, Honorariums, and Market Supplements.
- 3.3 This Statement includes pay details for the following:
- JNC for Chief Officers;
 - National Joint Council (Green Book) for Senior Managers;
 - JNC for Chief Executives;
 - Soulbury
- 3.4 Once this Statement is approved by full Council as determined by legislation, it will be published externally. It will be updated yearly as part of an annual revision.
- 3.5 The content of this Statement as set out within the Localism Act 2011 will not prevent the Council from undertaking value for money exercises and making decisions that will ensure appropriate use of budgets.
- 3.6 The provisions in the Localism Act 2011 which relate to pay policy statements only apply to employees directly appointed and managed by a Council. Employees who are appointed and managed by school governing bodies are therefore not required to be included within the scope of pay policy statements. This reflects the legal position whereby school employees are employed by the Council, but decisions about the appointment and management of such employees are the prerogative of the Head Teacher or Governing Body, as appropriate.

4. RETENTION AND REWARD

- 4.1 All local authorities are operating in a time of austerity where striking a balance between affordable and equitable pay and attracting and retaining excellence is becoming more challenging. Merthyr Tydfil County Borough Council, like all other Councils, have no choice but to review the remuneration of the whole workforce to create an affordable pay and grading structure.
- 4.2 The Council has a moral as well as legal obligation to ensure that all employees are treated fairly and equitably. Using financial rewards to increase performance and attract specific skills is no longer viable. The Council has to find other ways of rewarding employees so that Merthyr Tydfil County Borough Council is seen as an 'employer of choice' despite the difficult financial circumstances.
- 4.3 At times the Council may wish to recruit individuals with specific skills to undertake a set project where these skills are not found internally. The Council has put in place steps to ensure that any engagement with individuals, whether as an employee or self-employed consultant, falls within the requirements of the HMRC.
- 4.4 Employees on all terms and conditions, other than Chief Officers, may be paid overtime, where appropriate, in accordance with the relevant provisions of their terms and conditions of employment as supplemented by local agreement.
- 4.5 Chief Officers are not eligible for overtime but are expected to undertake duties outside their contractual hours and working patterns as is commensurate with their salary level without additional payment. In lieu of this, Chief Officers will receive an additional 10 days annual leave.

4.6 Overtime payments are the subject of either nationally or locally negotiated rates, having been determined from time to time in accordance with collective bargaining machinery and/or as determined by the Council Constitution and the Scheme of Delegation contained therein.

4.7 There is a local agreement currently in place in relation to overtime payments for staff over SCP 22, and are on fixed shift patterns:

- i. Emergency callout - Pay at actual SCP at premium rate;
- ii. Planned overtime – Pay at actual SCP at single rate;
- iii. Planned overtime but critical to business continuity – pay at actual SCP at premium rate
- iv. Unplanned overtime – Pay at actual SCP at premium rate

There is a local agreement currently in place in relation to overtime payments for staff over SCP 22, and are on flexi patterns:

- i. Emergency callout - Pay at actual SCP at premium rate;
- ii. Planned overtime – Continue flexi
- iii. Planned overtime but critical to business continuity – pay at actual SCP at premium rate
- iv. Unplanned overtime – Continue flexi

There is a local agreement currently in place in relation to overtime payments for staff under SCP 22, and are on flexi patterns:

- i. Planned / Unplanned overtime – Continue flexi

4.8 Employees who are under SCP 22 and are on fixed work patterns will be paid overtime in line with the NJC Terms and Conditions.

5. JOB EVALUATION

5.1 The Council uses the Greater London Provincial Council (GLPC) Scheme for employees up to Grade 12. For Senior Managers, including Heads of Service, Chief Officers and the Chief Executive, the Hay Scheme is used.

5.2 The two schemes ensure that the salaries are set using an objective and systematic process that rewards for the content of the job. This ensures equality and fairness. Local conventions ensure that the scheme is able to be applied to the local job requirements in a consistent manner.

5.3 Following the introduction of these two schemes, any new jobs or changes to existing jobs will be re-evaluated under one of these schemes.

6. PAY AND GRADING

6.1 The Council uses the nationally agreed Pay and Grading Scheme which negotiates pay for those employees between SCP 5 and 47. The remuneration within this is re-negotiated yearly by the National Employers.

6.2 The Council recognises the role of trade unions in consultation and negotiation of pay at local, regional and national levels. The Council supports the National Joint Councils and Joint Negotiating Committees which govern the national agreements concerning pay and conditions of service which are applicable to all of the employee groups referred to in this

- 6.3 The Council has chosen to increase the pay and grading for Merthyr Tydfil County Borough Council NJC Green Book employees to SCP 47 **Appendix A**
- 6.4 The Senior Manager pay and grading falls into a locally developed salary banding from Band A to Band D. **Appendix B** Chief Officers and Heads of Service are on, between Band B and Band D are on NJC Green Book terms and conditions.
- 6.5 Band A is a spot salary for the Director. The Chief Executive salary is a spot salary. **Appendix B** denotes the Directors, on Band A spot salary, and the Chief Executive, on a spot salary. Both are Hay evaluated.
- 6.6 **Appendix A** denotes NJC Green Book employees.
- 6.7 **Appendix C** denotes Soulbury for educational psychologists.

7. MARKET SUPPLEMENTS

- 7.1 Job Evaluation enables the Council to set fair and equitable pay for all employees. However, from time to time it may be necessary to assess the external market for pay differentials to attain and attract applicants with specific skills and experience.
- 7.2 For a market supplement to be agreed, the recruiting manager is required to research salaries in the external market, including neighbouring Councils and public sector organisations.
- 7.4 Prior to the recruiting manager processing the recruitment plan to advertise the job, a committee report needs to be brought to Cabinet for approval, with the supporting salary benchmarking data and comparable job details. Clear rationale denoting the objective reasons for the disparity in pay must be made clear within the report.
- 7.5 Where the job in question is recommended for a salary above £100,000, this committee report will also be brought to Council.

8. ACTING UP PAYMENTS (irregular)

- 8.1 There may be occasion where an employee is asked to act up into a higher level job due to a prolonged absence of the incumbent (usually unplanned), or when a key job becomes vacant and the employee is covering the work until a decision on recruitment is made.
- 8.2 Where this lasts for less than 4 weeks, the employee will **not** receive additional payment.
- 8.3 Where this lasts for longer than 4 weeks, the employee will receive an additional payment which is backdated to the start of the acting up. If it is known that the acting up will last longer than 4 weeks from the start of the acting up, the payment can be authorised immediately.
- 8.4 The additional payment may be the difference between the substantive salary and that of the acting up salary (if the full duties are worked), or a proportion of this if the full duties are not worked. This is pro rated to the hours worked.
- 8.5 Payments will not be made if employees are covering for periods of annual leave or are acting in their capacity of a deputy to the incumbent as expected from time to time.
- 8.6 Where the absence is planned, such as for maternity/adoption leave, secondments and similar absences, the first consideration must be to temporarily appoint into the job. Where time is short, acting up may be a shorter term solution in advance of recruitment.

- 8.7 The choice of employee to act up needs to be made by reviewing which of the employees in the service area are undertaking work that is commensurate with the work that needs to be covered. It will usually be an employee in the next line management down. If more than one employee is suitable to act up, there needs to be a competitive process undertaken with a written record of the outcome to this process. This does not need to be a formal interview but must be robust enough to determine which candidate is suitable to cover the work and why.
- 8.8 Prior to a payment being made, a briefing paper must be approved by the Corporate Director and Head of HR. Payroll will need to be informed once approved.
- 8.9 The acting up payments will be reviewed every 3 months by the Corporate Director, Section 151 Officer and the Head of HR. If the acting up payment is required longer than 3 months (and especially if it lasts longer than 6 months), there will be a review of whether other alternative arrangements might be more suitable for the circumstances. This could include a recommendation to:
- Continue the acting up payments
 - Recruit a temporary employee
 - End the acting up payments
 - Alter the amount of acting up payment (linked to the percentage of the work undertaken)
 - Restructure the department
 - Include the additional duties on a permanent basis in the employee's job description (Which would then require a re-evaluation of the job)
- 8.10 Payments will discontinue immediately following the return to normal duties of the employee undertaking the acting up.
- 8.11 Managers must give due regard to the cost of the acting up and whether business continuity can be achieved in other ways.

9. ACTING UP PAYMENTS (regular/shift work)

- 9.1 Some jobs within the Council require acting up as part of a weekly shift pattern to cover absences of team leader level employees. This form of acting up is common within care work and manual work areas of the Council. For instance, a senior care worker is required for each shift and so if a substantive senior care worker is unavailable a non-senior care worker (who has the relevant skills) will be able to act up for that shift. This is also required as part of the highways service where a lead gang supervisor is required for each gang. There are times when the acting up is for part of a shift or for a set number of hours.
- 9.2 When an employee is required within a rota to undertake shift cover/set hours for a higher paid employee they will be given the relevant remuneration for the work for that shift or for hours worked at the higher level. It is the responsibility of the manager to ensure they are suitable qualified and capable of undertaking the work.
- 9.3 The higher level work will be recorded on the timesheet and checked and signed off by the manager before submitting to Payroll.

- 9.4 If the higher level work is required on a frequent basis, the manager needs to review the core numbers of supervisor level jobs within the Service.

10. HONORARIUM PAYMENTS

- 10.1 Where the Council wishes to recognise the significant and additional discretionary efforts of an employee who has undertaken additional work for more than 4 weeks, honoraria can be requested to be paid to the employee.
- 10.2 Honoraria payments will not be made where the work undertaken is within the remit of the employee's job description (including any other duties as deemed commensurate with the job) and deputising for the line manager. Honorarium payments are not made for exceptional performance when the employee is undertaking their own work requirements or due to additional hours being worked. Payments will also not be given to employees who have been asked to take on additional duties of a higher grade in advance of doing the work. This will be covered as part of Acting Up payment (see section 8).
- 10.3 An employee cannot receive acting up payment and honorarium for the same period of time.
- 10.4 Honoraria payments are one off payments that are given following a *significant* effort made by the employee to undertake *additional and discretionary* work. This could be due to a sudden and critical requirement to complete a time bound project or task of which the employee willingly gives their time and effort to undertake, whilst continuing to undertake their usual work. This work can also be planned, but it will be expected that other ways to reward for the work is considered first (e.g. creating a new temporary project job).
- 10.5 An honorarium payment may be paid to more than one employee if a 'team' have worked together to undertake the significant additional work.
- 10.6 If a manager wishes to recognise this effort and believes the work falls within the definition of an honorarium payment, they must write a briefing paper to the Corporate Director and Head of HR explaining the circumstances and the amount they recommend should be paid. The Corporate Director and the Head of HR will appraise the paper and make a decision on whether it can be paid and how much.
- 10.7 If agreed Payroll need to be informed. The amount to be paid is at the discretion of the Corporate Director and Head of HR, with advice from the Section 151 Officer.
- 10.8 Only one honorarium can be paid to each employee within a 12 month period.

11. PAY POINT AT RECRUITMENT

- 11.1 All new appointments are to be made at the minimum point relevant to the grade. Exceptions to this may be made under a market force benchmarking exercise as denoted in Section 7 and/or in accordance with the Council Recruitment and Selection Policy.
- 11.2 Market force requests cannot be made at interview or following recruitment. All market force requests are made before the vacancy is advertised. If following the advertising of a vacancy it becomes clear that the salary is not attracting the right skills and experience, the manager needs to undertake steps within Section 7 before re-advertising the vacancy.

11.3 When an external employee from another Council is offered a job within Merthyr Tydfil County Borough Council as part of the recruitment process, they may be assimilated to the same SCP as they were on at the previous Council if it is within the grade range for the job.

11.4 This will only be allowable when there is no break in continuous service. If a break of longer than 4 weeks has occurred, continuous service and the right to assimilation will be lost.

11.5 If the job offered at Merthyr Tydfil CBC does not have the current SCP within its grade for the job, then assimilation will not be possible.

12. REDEPLOYMENT RECRUITMENT

12.1 If an employee is required to be matched to an alternative job as part of redeployment, and the alternative job is of a lower grade to that of the substantive job, the employee will be placed at the top of the grade. Usual pay protection rules will apply.

13. PAY AND PERFORMANCE

13.1 The Council expects high levels of performance from all its employees and has an annual appraisal scheme and one to one process in place to review, evaluate and manage performance on an ongoing basis. Merthyr Tydfil County Borough does not operate a performance related pay appraisal system to any employee group.

14. EQUALITY PAY IMPLICATIONS - GENDER PAY GAP

14.1 In April 2018, employers with over 250 employees were legally required to publish data relating to pay inequalities. Data published had to include the pay and bonus figures between men and women and included data from April 2017. Welsh public authorities listed in Schedule 19 of the Equality Act 2010 are subject to their own devolved regulations which include gender pay reporting. Figures on schools are excluded, unless they employ more than 250 staff.

14.2 The gender pay gap is an equality measure that shows the difference in average earnings between women and men. The gender pay gap does not show differences in pay for comparable jobs. Unequal pay for men and women has been illegal for 45 years. The causes of the gender pay gap are complex and overlapping:

- A higher proportion of women choose occupations that offer less financial reward (e.g. administration). Many high paying sectors are disproportionately made up of male workers (e.g. information and communications technology).
- A much higher proportion of women work part time, and part time workers earn less than their full-time counterparts on average.
- Women are still less likely to progress up the career ladder into higher paying senior jobs.

14.3 The gender gap at Merthyr is reported annually via the Annual Equality Report. The Council's strategic Equality Plan and Objectives were approved by full council on March 2020. The gap at Merthyr is low at 9.42%.

Council (excl schools)	Mean Hourly Rate	Median Hourly Rate
Male	14.14	12.35
Female	12.67	11.19

14.4 Merthyr Tydfil Council is committed to fairness and equality in relation to its pay policies. Our approach to Job Evaluation is based on the post rather than the person. The council is committed to the Ethical Employment Code of Practice led by Welsh Government, and is fully participating in the Rapid Review of Gender Equality following a request from Welsh Government.

14.5 Pay Gap reporting will increase beyond Gender to include Equality and other protected characteristics as per the Equality Pay Act 2010. Further statistical information on our performance in relation to Equality is contained within the Council's Annual Equality Report.

15. CHIEF OFFICER REMUNERATION

15.1 For the purpose of this Pay Policy Statement, 'Chief Officers' are as defined within Section 43 of the Localism Act 2011. Within Merthyr Tydfil County Borough Council, this includes the following:

- Head of Paid Services (which is also the Chief Executive);
- Corporate Directors
- Heads of Service and Senior Managers who are in receipt of remuneration levels as Stated in the Accounts and Audit (Wales) (Amendment) Regulations 2010

15.2 The Council employs Chief Officers under JNC terms and conditions which are incorporated into their contracts. The JNC for Chief Officers negotiates on National (UK) annual costs of living pay increases for this group, and any award of same is determined on this basis. Chief Officers employed under JNC terms and condition are contractually entitled to any National JNC determined pay rises and this Council will therefore pay these as and when determined in accordance with current contractual requirements.

15.3 The remuneration of the Director and Chief Executive (Head of Paid Services) is subject to Hay evaluations. Any changes to these jobs will require the application of the Hay scheme to realign the salary band.

15.4 Section 63 of the Local Government (Democracy) (Wales) Act 2013 amended the Local Government (Wales) Measure 2011 by inserting Section 143A. This requires the Council, if it intends to change the salary of the Head of Paid Services, to consult with the Independent Remuneration Panel (IRP) unless the change is in keeping with the changes applied to other officers. The IRP must be notified so that they can consider the pay recommended, whether it is being proposed to increase or decrease. The Council will have regard to the IRP when deciding on the appropriate level of remuneration for the Head of Paid Services.

15.5 Chief Officers on JNC terms and conditions are entitled to travel and subsistence expenses as set out by the JNC Chief Officer conditions of service.

15.6 The Head of Paid services is also the Returning Officer and fees for this role are paid separately and not included in the remuneration details within this Statement. Fees are set locally and are in line with election remuneration values of Welsh Government elections.

- 15.7 A stipend is payable to those Senior Officers who have additional statutory duties (e.g. Monitoring Officer, Section 151 Officer, and Chief Education Officer). This is currently set at £3,030 per annum.

16. RECRUITMENT OF CHIEF OFFICERS

- 16.1 Where a Chief Officer post on JNC terms and conditions valued at £100,000 or more requires to be appointed to, it will be advertised externally as well as internally, as set out in the Local Authorities (Standing Orders) (Wales) (Amendment) Regulations 2014.
- 16.2 This includes when the Council undertakes a Corporate Restructure and posts are reduced or remodelled. The usual practice of 'ring fencing' these 'new' posts to the existing internal incumbents will not be possible when the job has a salary of £100,000 or more.
- 16.3 Where the appointment is for 12 months or less, external advertising is not required and can be 'ring fenced' internally. However, once the 12 months has expired, it will require external advertising.
- 16.4 The appointment of the Chief Executive (Head of Paid Service) and the rates of pay are approved by full Council and are a matter of public record. The remuneration offered will fall in line with the Hay evaluation scheme and any other local policy that is in place at the time of recruitment.

17. SEVERANCE ENTITLEMENTS AND REDUNDANCY

- 17.1 Full Council is required to approve any severance package offered to employees leaving the organisation that is valued over £100,000 that will be borne by the Council directly. This includes the total of the severance, taking into consideration the salary paid in lieu, lump sum redundancy/severance payment, and any costs to the Council for pension enhancement and strain/buy out actuarial reductions.
- 17.2 Any other payments falling outside the scope of the local Policies or contractual terms shall be subject to approval by Cabinet and Council. Delegated authority to the Chief Executive, Section 151 Officer, Leader and Corporate Director to approve these may also be used.
- 17.3 There may be some exclusions, such as when negotiating settlement agreements.
- 17.4 The Council operates a discretionary Early Retirement and Redundancy Policy in accordance with Regulations 5 and 6 of the Local Government (early termination of employment) Regulations 2006.
- 17.5 All employees are entitled to apply for the Council's current redundancy scheme. Voluntary redundancy is set at statutory payment plus 20%. Compulsory redundancy is set at statutory values only.
- 17.6 Voluntary Early Retirement (VER) will also be paid when an employee (who is eligible) takes Voluntary redundancy.
- 17.7 The Council will pay the actuarial reduction of the pension strain (additional costs) to employees leaving under compulsory redundancy (if eligible).
- 17.8 A business case is required prior to progressing the application for VER by the manager.
- 17.9 Cabinet will be required to approve applications for all VER. Delegated authority as denoted in 16.2 can be used.

- 17.10 The UK Government has signalled its intention to impose a statutory cap on exit payments in the public sector. The Authority will review its policy on payments made on termination of employment to ensure compliance with any regulations that may be introduced in Wales from 2019-2020 to implement the cap on exit payments.

18. RE-EMPLOYMENT OF CHIEF OFFICERS

- 18.1 No Chief Officer/Head of Service (anyone paid at the Leadership Bands) previously made redundant or granted early retirement (and leaves the employ of the Council) will be later re-employed or re-engaged either as an employee, commissioned employee, self-employed, as an agency worker, or via a third party contractor.
- 18.2 Any Chief Officer/Head of Service who takes Flexible retirement is entitled to continue to work for the Council under the rules as set out in the Flexible Retirement Policy. Applications for flexible retirement must be approved by Council (delegated powers can also be used).

19. LOCAL GOVERNMENT PENSION SCHEME

- 19.1 Subject to certain eligibility rules, employees are automatically enrolled into the Local Government Pension Scheme (LGPS) or Teachers' Pensions (TP) on commencement (according to their occupation). Employees not eligible for automatic enrolment have the right to opt in to scheme membership. Employees' contribution rates are set by the LGPS regulations and range from 5.5% to 12.5% of pensionable pay depending on actual salary level. The Council's employer contribution rate is set following each triennial fund valuation by the actuaries appointed by the Rhondda Cynon Taf Pension Fund.

20. PAY RELATIVITIES, INCLUDING THOSE LOWEST PAID

- 20.1 The definition adopted by Merthyr Tydfil County Borough Council of the 'lowest paid' is an employee who is paid at SCP 5. Employees on this SCP earn £18,795(FTE) as of April 2019.
- 20.2 The Council may employ apprentices and trainees who are not included in the definition of 'lowest paid employees'. These employees are paid the National Minimum Wage.
- 20.3 All jobs within Merthyr Tydfil County Borough Council are subject to either the GLPC scheme or the Hay scheme of grading.
- 20.4 The Localism Act 2011 statutory guidance recommends the use of pay multiples as a means of measuring the relationship between pay rates across the workforce. The Hutton Report 'Review of Fair Pay in the Public Sector' (2010) explored the case for a fixed limit on dispersion of pay through a requirement that no public sector manager can earn more than 20 times the lowest paid persons in the organisation.
- 20.5 The Report concluded that the relationship to median earnings was a more relevant measure and the Government's Code of Recommended Practice on Data Transparency recommends the publication of the ratio between highest paid and median average salary of the whole authority's workforce.
- 20.6 The table below denotes the median and averages for the salaries within Merthyr Tydfil County Borough Council as at March 2020 (2018/2019 Payscale)

Ratios calculated as at:	February 2019
Minimum spinal column point (FTE)	£17,391

Median FTE Salary	£23,866
Mean Average FTE Salary	£27,461
Chief Executive Salary	£115,600
Mean Average Chief Officer Salary	£74,796
Median FTE: Chief Executive Findings	1 : 4.8
Median FTE: Average Chief Officer Earnings	1 : 3.1
Minimum SCP: Chief Executive Earnings	1 : 6.6
Minimum SCP: Average Chief Officer Earnings	1 : 4.3

21. OFF PAYROLL WORKING IN THE PUBLIC SECTOR – IR35 INTERMEDIARIES LEGISLATION

- 21.1 The Intermediaries Legislation ensures that individuals who work through their own or even another personal services company (PSC) pay employment taxed in a similar way to an organisation's own employees. This is relevant to those individuals providing services to the Council who, if they were not engaged through a personal service company (PSC) or other intermediary would be employed by the Council directly.
- 21.2 This new measure "Off-payroll working in the public sector" moves responsibility to the Council for deciding if the off-payroll rules for engagements in the public sector apply. This measure makes the Authority responsible for deducting any paying associated employment taxes and National Insurance Contributions (NICs) to HM Revenue and Customs (HMRC).
- 21.3 The legislation applies to all payments on or after 6th April 2017 regardless of when the contract started.

22. REVIEW OF THE POLICY

- 22.1 The policy outlines the current position in respect of pay and reward within the Council and it will be reviewed to ensure that it meets the principles of fairness, equality, accountability and value for money for the citizens of Merthyr Tydfil. The Policy will be reviewed at least annually and reported to Full Council for approval in line with statutory requirements.
