

## Mayor of the County Borough of Merthyr Tydfil 2014 - 2015

### Councillor Brian Mansbridge

Councillor Brian Mansbridge was inaugurated to the office of Mayor of the County Borough of Merthyr Tydfil on 14th May 2014. He has represented the Merthyr Vale Electoral Ward since 2008. Brian lives in Edwardsville with his wife Brenda.

As First Citizen of the County Borough of Merthyr Tydfil, Councillor Mansbridge's duties include chairing full meetings of the Council and representing the Council at formal and ceremonial occasions within the County Borough, regionally, nationally and internationally. He welcomes visitors to the County Borough and attends and supports events organised by local people and organisations.

During his year of office, the Mayor will be busy raising funds for his chosen local charities, which are the Alzheimer's Society & PHAB (Physically handicapped and able bodied). All funds raised will go towards the wonderful work these charities have already undertaken in our County Borough. All monies raised will be used solely for the benefit of our communities and we look forward to working closely with both charities during our mayoral year.
