# WHITEFOOT, Francis Treharris

Treharris has been in decline for as long as I have lived. The slow exodus of vital amenities has effected us all and now, as I stand on the cusp of my forty year, I feel I have the knowledge, experience and skills to take a stand and counter this.

I feel the only way we can take our Ward forward is via community action, empowering residents with tools such as Community Asset Transfers and Empty Dwelling Management Orders to rejuvenate our communities towards their former glory, with the amenities its residents and businesses need.

It will a tough job and will require hard work from all but I know we all can achieve it.

Yet, for this to begin, I need your vote in this council election.

Mae Treharris wedi bod yn dirywio cyhyd ag yr wyf wedi byw. Mae'r ymadawriad araf o amwynderau hanfodol wedi effeithio ar bob un ohonom yn awr, wrth imi sefyll ar drothwy fy deugain mlynedd, teimlaf fod gennyf y wybodaeth, y profiad a'r sgiliau i sefyll a gwrthsefyll hyn.

Rwy'n teimlo mai'r unig ffordd y gallwn fwrw ymlaen â'n Ward yw drwy weithredu cymunedol, gan rymuso trigolion gydag offer fel Trosglwyddiadau Asedau Cymunedol a Gorchmynion Rheoli Anheddau Gwag i adfywio ein cymunedau tuag at eu hen ogoniant, gyda'r amwynderau sydd eu hangen ar ei thrigolion a'i fusnesau.

Bydd yn waith anodd a bydd angen gwaith caled gan bawb ond rwy'n gwybod y gallwn i gyd ei gyflawni.

Ac eto, er mwyn i hyn ddechrau, mae arnaf angen eich pleidlais yn yr etholiad cyngor hwn.

## Transparency, Opportunity and Responsibility

### Tryloywder, Cyfle a Chyfrifoldeb

Some of my aims if elected are

- Use current council powers to bring empty properties back onto the market at truly affordable prices for local families.
- Open the decision making process to the public, to ensure the correct outcomes are made for all.
- Make the Borough Greener, from improved cycle routes and public transport provision to renewable energy production.
- Find workable solutions to parking issues in areas such as Cilhaul and Quakers Yard.
- Improve and expand the provision of children's play areas, at sites such as Treharris Park and Quakers Yard.
- Ensure the name are added to the War Memorial at Treharris Library as part of its regeneration.
- Improve the conditions of roads within the Ward, starting with Mill Street and Windsor Road, and work with residents to solve their traffic concerns.
- To work hard with you, for you.

Mae rhai o'm nodau os cânt eu hethol yn

- Defnyddio pwerau presennol y cyngor i ddod ag eiddo gwag yn ôl i'r farchnad am brisiau gwirioneddol fforddiadwy i bobl leol.
- Agor y broses o wneud penderfyniadau i'r cyhoedd, er mwyn sicrhau bod y canlyniadau cywir yn cael eu gwneud i bawb.
- Gwneud y Fwrdeistref yn Wyrddach, o lwybrau beicio gwell a thrafnidiaeth gyhoeddus i gynhyrchu ynni adnewyddadwy.
- Dod o hyd i atebion ymarferol i faterion parcio mewn ardaloedd fel Cilhaul a Mynwent y Crynwyr.
- Gwella ac ehangu'r ddarpariaeth o fannau chwarae i blant, mewn safleoedd fel Parc Treharris a Mynwent y Crynwyr.
- Sicrhau bod enwau'n cael eu hychwanegu at y Gofeb Ryfel yn Llyfrgell Treharris fel rhan o'i hadfywio.
- Gwella amodau ffyrdd o fewn y Ward, gan ddechrau gyda Mill Street a Windsor Road, a gweithio gyda thrigolion i ddatrys eu pryderon sy'n ymwneud â thraffig yn y safleoedd hyn.
- I weithio'n galed gyda chi, drosoch chi
