

DAVID CHAPLIN

WELSH LABOUR/ LLAFUR CYMRU

I moved to Merthyr Tydfil in 1972 with my family and attended Heolgerrig Primary School and Cyfarthfa High School.

I was a LEA Governor of Heolgerrig Community School for over 10 years until my terms came to an end in August 2021.

You elected me to represent you in June 2017 and I am currently a member of the Councils anti-poverty taskforce working alongside the Third Sector.

During my period as a councillor I have sat on the following committees:- Planning Regulatory and Licensing, Rights of Way, Learning and LGES, Governance and Audit, Economic Recovery Board, Full Council and Llwydcoed Crematorium Committee.

Out of the 191 possible meetings I could have attended, I attended 183 which is a 96% attendance record. I apologised in advance for all meetings I was unable to attend.

Over the last 2 years, I have delivered books and activity packs to families for a local charity and helped deliver food parcels to people isolating because of Covid-19.

I have also been involved in the Branch Collection of items for Merthyr Cynon Foodbank, supported Calfaria Chapel bi-annual fairs and helped staff the Poppy Appeal Stall in 2021.

It would be a privilege to represent you again if you support me.
