ABOUT ME

I live in Dowlais, and I am married and a mother to three boys. I work as a childcare assistant. I am also involved in the children's church ministry in Dowlais Elim Family Church

I put myself forward to stand for the Council because I want to make a difference to our community. I believe it is important to encourage participation in our community structures including women, youth and listening to others' views and helping turn them into positive actions. Please support myself, Simon and Richard as your Welsh Labour Candidates

A LABOUR LED COUNCIL WILL DELIVER:

- BETTER EDUCATION
- BETTER LEISURE SERVICES
- BETTER PARKS & PLAYGROUNDS
- BETTER BUS SERVICES
- BETTER ENVIRONMENT
