Penydarren Ward

My name is Kevin Gibbs, I am 52 years of age. I was raised in Penydarren with my brother Stephen, my parents are Terry and Betty Gibbs. My mother has been active in the Catholic church all her life and my father was a steel worker for nearly 30 years at Guest Keen until it closed. I was raised a Roman Catholic and attended Bishop Hedley High School. My work life began the day I left school. I started working for Barclays Bank under a Government Youth Training Scheme (YTS). Through work, study and determination, I was able to progress through the ranks to the position of Business Credit Manager.

My role was scrutinising business loan applications to the value £1million. In 2014 I then moved on to a contracting role within the Lloyds Banking Group until I was elected Councillor in 2017. I was delighted to be elected to represent the residents of Penydarren & Galon Uchaf in the 2017 local elections. I am the current Vice Chair of the Board of Governors for Gellifaelog Primary School. I was privileged to become Mayor of Merthyr Tydfil in my first year of office. I have had the opportunity to meet many wonderful residents and local businesses during my tenure. Covid has taken its toll on all of us and has sadly resulted in less face-to-face public engagement. As restrictions are lifted, you will see me and the Labour team out in the ward on a regular basis canvassing your views so we can adequately represent your voices. I was delighted to help support the residents to save the Greenie from being built on which would have resulted in the loss of one of our treasured greenspaces in the ward.
