“

I've worked closely with Vanessa on the Community Council, she is committed to improving our area and would be a fantastic representative

**Gill Preston,  
Bedlinog Resident**

”

### ABOUT ME

I've lived in Trelewis for 8 years, but my family history here goes back a lot longer. These family links ignite my passion to be a strong voice for you and our community. I am a member of the Community Council, a school governor at the Taff Bargoed Learning Partnership and involved with the PTA. I will work hard to make that difference and help improve the area in which we live. It would be a privilege, if elected with Jeff to represent the residents of Bedlinog and Trelewis.

### A LABOUR LED COUNCIL WILL DELIVER:

- BETTER EDUCATION
- BETTER LEISURE SERVICES
- BETTER PARKS & PLAYGROUNDS
- BETTER BUS SERVICES
- BETTER ENVIRONMENT

**Make sure to use both votes  
for Welsh Labour on 5 May**
