LOUISE MINETT VOKES****You deserve BETTER**

I am proud to have been selected to be the new Welsh Labour candidate for Park Ward. I will be standing to be elected in the May 2022 elections alongside our existing Welsh Labour councillor Clive Jones. I am 41 and I have lived in Park Ward all of my life. My parents also live in Park Ward. I have two children who have attended/currently attending Cyfarthfa Park Primary school, where I hold the position of Parent Governor. I currently work for a local Merthyr Tydfil Charity. I am an IDVA (Independent Domestic Violence Advisor). I currently support victims of Domestic Abuse in the Community. My employment history from the age of 20 has always been working for Charities and my roles have always been supporting vulnerable members of our communities and advocating for people who have been unable to have a voice. I have also volunteered in Park Ward for Christmas community events and taken part in local election campaigns. I care deeply about Park Ward and Merthyr Tydfil. It will be a great honour and privilege to be one of the next Welsh Labour Councillor's for Park Ward. I will take the role extremely seriously and ensure that I have timely responses to any issues, hold regular advice surgeries throughout the ward and ensure that I attend all relevant meetings to represent Park Ward. I am confident and prepared to challenge any decisions made which could have a negative effect on our area and our community. I will ensure that I will have a strong voice and advocate the needs and wishes for ALL residents. I believe in inclusion not division. I will ensure that all residents of Park Ward are heard, involved, and consulted.

**If elected I will support these pledges to:**
