# Welsh Labour Candidate

## Gurnos Ward

### GAVIN GALLEOZZIE

Hi, I'm Gav. I've lived in Merthyr nearly all of my life. I work in retail and I've been a trade Union representative for the GMB for 8 years. I have also been a political officer for 3 years. I joined the Labour Party in my early 20's. My philosophy has always been about togetherness and listening to each other. I believe in Community Spirit. I will be proud to represent the Gurnos Ward, I believe it has such strong community spirit. These are difficult times and sticking together with core Welsh Labour values, will ensure that the Gurnos Wards future is vibrant and one of fairness. Councillors have a key role in building that future, and if elected my focus will be on residents and I will work hard for each and every one of you. Being together and communicating with residents is a core value and I will always strive for the best and positive outcomes for everyone and the community.

### If elected I promise to:

- **RAISE EDUCATION STANDARDS**
- **PROVIDE BETTER PLAYGROUNDS AND PARKS**
- **IMPROVE LEISURE SERVICES**
- **HELP SPORTS CLUBS AND IMPROVE WELL BEING**
- **MAKE OUR STREETS CLEANER AND SAFER**
- **IMPROVE OUR LOCAL BUS SERVICES**
