

## Guidance on how to view planning applications online

The online planning search/facility below allows you to view relevant documentation and plans submitted to the Council as part of planning and other applications. The easiest way to search for an application online is with an application number or an address. Older applications can also be found via this facility. However, some of the information accompanying older applications may not be available electronically.

To use this facility, please follow the instructions below and then click on the search button highlighted in blue:

*Search for applications online*

## General Instructions and Advice

Please use the following steps to search for planning applications:

1. Click on 'search for applications online'.
2. Under the page titled 'Planning >> Simple Search', enter the application number and click search. Alternatively, you can enter a postcode or an address (this may however retrieve multiple entries).
3. To view plans and documentation, click on '*Documents and Plans*'
4. Click on the text '*View associated documents*'
5. A new page will load with a list of documentation/plans. To view each document, click on the application reference for each of the relevant documents.

If you need further assistance please see our visual guide which aims to take you through steps 2 to 5 of the guidance list above.
