●●● SCHOOL ADMISSION ARRANGEMENTS FOR PARENTS 2023-2024

This booklet has been designed to give parents/carers general information about Merthyr Tydfil's nursery, primary, secondary and special schools and, more specifically, details about the admissions and appeals arrangements governing those schools. This document is published in accordance with the Education Act 1996 and the School Standards and Framework Act 1998.

The information relates to the school year 2023/2024 and, although correct at September 2022, does not preclude changes to the relevant arrangements before the start of, or during, the 2023/2024 school year or subsequent years.

The booklet is intended to be informative and helpful to parents/carers who have a right to express a preference for their child to attend any school.

Foreword

Dear Parents/Carers

Choosing which school is best for your child is one of the most important decisions you will make. In this book you will find all the information you need about the schools across Merthyr Tydfil and how you apply for a place.

*Before you decide which school is the right one for your child, please consider whether you want your child to be taught through Welsh or English or whether you want them to attend a Faith school. There is more information on Welsh medium education in our Being Bilingual booklet which can be found on the Council's website – www.merthyr.gov.uk *Becoming Bilingual Booklet**

Please have a look at school websites and ask for copies of prospectuses as well to help you make up your mind.

I would like to wish your child every success at whatever school you choose and hope that you will also take the opportunity to support your child(ren)'s school by becoming involved in the life of the school during their time there. We look forward to working with you over the coming years.

With all our best wishes.

SUE WALKER
Director of Education/
Cyfarwyddwr Addysg

Councillor Geraint Thomas
Leader of MTCBC

SCHOOL TERM AND HOLIDAY DATES ACADEMIC YEAR 2022-2023

Please note that these timetables are subject to any changes that may arise as a result of government policy decisions. Merthyr Tydfil County Borough Council does not accept liability for any losses incurred in respect of altered holiday arrangements following such changes.

ICS.SchoolAdmissions@merthyr.gov.uk

A. ADMISSIONS TO MERTHYR TYDFIL SCHOOLS

CHOOSING A SCHOOL

The entry of children to schools is controlled and administered by an 'Admissions Authority'. In the case of community schools, the admissions authority is Merthyr Tydfil County Borough Council also known as the Local Authority (LA).

In the case of church voluntary aided (faith) schools, the admissions authority is the governing body of the individual school.

Within the County Borough each school has its own designated catchment area. Most parents/carers send their child to the 'local' school, but some parents/carers exercise their right to state a preference for a different school. In all cases parents/carers of pupils who are due to change schools in September 2023 will need to indicate, on the official admission application, their preferred school. No-one has an automatic right to attend a school but all official applications, submitted before the closing date will be considered.

On-line admissions (<http://merthyr.gov.uk/ApplyForASchoolPlace>) will be open for **all relevant parents/carers in the week commencing 12th September 2022**. **Hard copy applications will be available upon request and will need to be returned to, School Admissions Team, Learning Department, Civic Centre, Castle Street, Merthyr Tydfil, CF47 8AN in order to match parents'/carers' preferences with the availability of places at the school of their choice. The admission timetable is as follows:**

Admission cohort	Closing Date
Secondary School Year 7	23rd December 2022
Primary School Reception Class (age 4 before 1st September 2023)	23rd December 2022
Primary School Nursery Class (age 3 before 1st September 2023)	30th November 2022
Primary School Pre-Nursery Class Spring Term – January 2024 (3rd birthday falls between 1st September 2023 and 31st December 2023)	28th February 2023
Primary School Pre-Nursery Class Summer Term – April 2024 (3rd birthday falls between 1st January 2024 and 31st March 2024)	31st May 2023

Parents/carers need to apply for a place:

- For admission to a pre-nursery class;
- For admission to a nursery class/school;
- For admission to a reception class;
- For transfer from primary school to secondary school; and
- At any time they wish to transfer their child from one school to another.

Parents/carers may further express their right of preference for a Welsh-medium school, or a church voluntary aided school.

The local authority and school governors **must** comply with any preference expressed, provided there is room within the school. However, the decision to admit pupils must have regard for:

- the overall provision of efficient education and efficient use of resources;
- the 1998 Education Act, which allows an admission authority to refuse to comply with parental/carer preference for a period of two years following a second or subsequent permanent exclusion.
- Requests on behalf of pupils living outside the 'catchment' area must be considered in the knowledge of the future demand for places from within the school's local area;
- class size limits guidance which limits the number of pupils in primary schools to 30.

A pupil who attends a school outside his/her local designated catchment area and subsequently makes an application to attend the local area school will not have an automatic right of admission to that school. The decision regarding admission will depend upon the admission number of the school and the number of pupils in the particular year group i.e. whether there is room.

The catchment areas for schools providing primary education are normally grouped together to form a linked catchment area for each maintained secondary school. Pupils who reside outside a secondary school's catchment area must seek admission via the published arrangements. Admission/attendance of pupils at a feeder primary school does not provide automatic entry to the preferred secondary school. All schools within the Authority aim to provide their pupils with an educational opportunity best suited to the needs of the individual child. Some pupils will have learning needs requiring special educational provision and, in some instances, parents/carers will receive specialist support and guidance regarding the choice of school for their child. All parents/carers are encouraged to discuss possible areas of concern with their local headteacher who also has access to specialist advice. The Authority's policy takes into account the provision of the Additional Learning Needs and Disability Act 2001 and the Equalities Act 2020.

Merthyr Tydfil County Borough Council will process the information you provide in accordance with the Data Protection Legislation, including the EU General Data Protection Regulation (GDPR). Any personal information will be held in confidence with only the necessary people able to see or use it. The people who may receive the information you provide include: the current school (if any), the school to which the pupil is to be admitted to, ALN, Inclusion, Social Services, Children Looked After and any organisation, including other Council Departments, legitimately investigating allegations of fraud, other criminal offences or child protection. Please note that your information may also be crosschecked and verified against information held by other Council Departments. Information may also be used in an anonymous form for statistical purposes.

ADMISSION LIMIT

Every school has an admission number which is determined according to the physical size of the school in accordance with the Welsh Government's 'Measuring the Capacity of Schools in Wales' calculation. The admission number represents the number of pupils which should be admitted to the school's normal year of entry (i.e., reception in primary schools and Year 7 in secondary schools) if sufficient applications for admission are received. The admission number should not normally be exceeded. In all but the most

exceptional circumstances, the admission number would be applied to year groups other than the normal year of entry.. In the list of schools on pages 26-28 the admission limit is indicated.

A child will normally be offered admission to a school of the parents'/carers' preference unless the admission number has been reached. Where applications exceed places, the admissions oversubscription criteria (set out on page 17) will be applied.

The size of Foundation Phase Classes is restricted by law to 30 or fewer pupils. If the relevant admission number has been reached, the local authority will not admit a child to a year group where to do so would conflict with the class size legislation. However, certain types of children ('excepted pupils') can be discounted for the purposes of ascertaining whether or not the limit of 30 is exceeded. These now include:-

- 'children looked after' and 'previously children looked after' admitted outside the normal admissions round;
- pupils for whom education at a school of a particular religious character is desired and who are admitted to such a school outside the normal admissions round;
- reception pupils who are admitted out of the normal admissions round after the first day of the school year where the school has not reached it's admission number but has already organised its classes and;
- where there is only one place available and children of multiple births (twins, triplets) have next priority, to conform with infant class size legislation, parents will be given a choice of place at time of application. The regulations can allow exceptions to the class size limits in these circumstances.

All primary schools in the County Borough also provide nursery education. However, there is no automatic entry to:

- nursery class from a pre-nursery group (for pupils aged 3 by 1st September);
- reception class for children (aged 4 by 1st September) who have attended a nursery class at a school

Applications for places will be required and oversubscription criteria will be applied if necessary.

The normal ages for admission in Merthyr Tydfil County Borough are:

Age 3-4 in nursery class or nursery schools,

Age 4-5 in primary schools,

Age 11-12 in secondary schools.

ORGANISATION OF SCHOOLS

All schools in the authority are co-educational

1. Nursery Education

It has been the local authority's long-standing position that every child should have access to free part-time nursery education from the start of the term following the child's third birthday. In practice children start attending nursery education in school at the age of 3 or 4 years, depending on class number limitations and local demand.

Pre-nursery Admissions (Rising 3's)

Children who turn 3 during the academic year (Rising 3's) are eligible to apply for a pre-nursery place to commence the term after their third birthday i.e. in the Spring and Summer Terms each year. Pre-nursery places are provided subject to availability and cannot be guaranteed at any school. Once the nursery accommodation is deemed to be full, no further pre-nursery pupils may be admitted.

Those children who are admitted to a **pre-nursery class will not have an automatic right to continue education at that school**. Whilst every effort will be made to accommodate these pupils to transfer into the Nursery class the following September, **there may be occasions when, due to oversubscription, it will not be possible for this transfer to take place**.

There is no right of appeal for pre-nursery and nursery places.

Key dates for applying

Admission cohort	Form returned by
Primary School Pre-Nursery Class Spring Term – January 2024 (3rd birthday falls between 1st September 2023 and 31st December 2023)	28th February 2023
Primary School Pre-Nursery Class Summer Term – April 2024 (3rd birthday falls between 1st January 2024 and 31st March 2024)	31st May 2023

As far as possible, the local authority will ensure that provision is available within the family's first preference school. However, where schools are unable to meet the demand, a place in an alternative school(s) will be offered.

Registered Education Providers (REPs) in Non-Maintained Settings

The local authority can provide Early Years grant funding for children to access a part-time nursery education place at one of the 3 Registered Education Providers (REPs) in Merthyr Tydfil as an alternative to attending nursery education in a school.

Three settings are currently registered as Early Years Education Providers in Merthyr Tydfil and are located in Cwm Golau Integrated Children's Centre, Pentrebach:-

- Cylch Meithrin Pentrebach (Welsh Medium)
- Little Rascals Pre-School
- Funtazia Day Nursery

If you require any further information on Early Years Education Providers – **the Early Years Team** can be contacted on 01685 727387 / 727374.

The local authority will not fund places in non-maintained settings in other county boroughs.

Nursery Admissions (Rising 4's)

Important Information

Pupils who are admitted to a **nursery class will not have an automatic right to continue education at that school**. Whilst every effort will be made to accommodate these pupils, a formal application must be made for transfer to the reception class (upon transfer from nursery). **There may be occasions when, due to oversubscription, it will not be possible for this transfer to take place.**

Key dates for applying

Admission cohort	Form returned by
Primary School Nursery Class (age 3 before 1st September 2023)	28th February 2023

Criteria for Pupil Entry to a nursery class/school

For details of the over subscription criteria for pupil entry please refer to “What happens when too many children apply for places?”

2. Primary Education.

Every child is required by law to receive full-time education from the beginning of the school term after his/her fifth birthday. All children are entitled to start school at the beginning of the school year (September) in which they become five. Children will be able to attend school when they are aged three or four and parents should discuss this provision with the staff at School Admissions Team, Learning Department. Children between the ages of 3/4-11 years are recognised as pupils receiving primary education. In Merthyr Tydfil primary education is provided in a primary school with pupils aged 3/4-11 years of age.

Attendance between the age of 3 to the date of the child's fifth birthday is optional and parents have the right to defer their child's entry to school until the term following their fifth birthday.

3. Admission to Reception Class

Parents/carers of children attending a nursery class in a school, or a feeder nursery school, have to apply for a place in the main school when the child reaches the age for admission to primary school. **Children attending a nursery class do not transfer automatically to the school.**

(For details of the over subscription criteria for pupil entry please refer to page 19).

4. Admission to Primary Schools

Pupils who will attain the age of five during the school year may be admitted to primary school (Infant department) at the commencement of the school year in September.

Parents/carers should notify the local authority in advance if they have a child who will reach the age of 4 years by 31st August, 2023. On-line Admissions will be open during the autumn term and it is important that you do not miss out on a place due to a late application. If parents/carers are unsure which school normally serves their locality they should contact the School Admissions Team for advice (01685 725000).

If parents/carers wish their child to attend a primary school which does not serve their locality they should contact the School Admissions Team for advice (01685 725000). Applications for such admissions should be made as early as possible and as stipulated on page 16 'Applying for a School Place'.

5. Changing Schools: Primary Education

Changing schools during primary education is a serious step for a child. Such a decision may be unavoidable, e.g. as a consequence of the family moving home, and in such circumstances parents/carers will need to contact the School Admissions Team for assistance (01685 725000) and advise their current school. If parents/carers would like their child to transfer from one school to another they should first discuss the position with the present headteacher. If, following this discussion, parents/carers still wish to transfer their child to a new school they should contact, School Admissions Team for advice before making the application. Please refer to Part Two (page 25) for information relating to home to school transport. If there is a suitable vacancy, a child will be admitted to the school. Classes may include more than one age group in which case the headteacher will have the task of locating the child in the most appropriate class. The Government has limited the number of children able to attend primary classes to a maximum of 30 pupils, in reception, Year 1 and Year 2 classes. This could result in no suitable vacancy being available.

6. Admission to Secondary Schools

Children will transfer from primary school to secondary school at the beginning of the school year following their eleventh birthday. All such transfers must be made by means of a completed application form. For children born between 1st September 2011 and 31st August 2012 he/she will transfer to the local secondary school provision in September 2023. Headteachers of primary schools will be able to inform parents/carers of the secondary school which their children should normally attend and advise parents/carers of the transport arrangements adopted by the local authority. If parents/carers wish their child to attend a secondary school which does not serve their locality, they should contact the School Admissions Team for advice (01685 725000). Applications for such admissions should be made as early as possible and as stipulated on page 16 'Applying for a School Place'. The relevant criteria are listed on page 19 'What Happens When Too Many Children Apply for Places'.

7. Changing Secondary Schools

Changing schools during secondary education is a serious step for a child. Such a decision may be unavoidable, e.g. as a consequence of the family moving home, and parents in such circumstances will need to contact the local school as well as the School Admissions Team for assistance (01685 725000). If parents/carers would like their child to transfer from one school to another they should first discuss the position with the present headteacher. If, following this discussion, parents/carers still wish to transfer their child to a new school they should contact the School Admissions Team for advice before making the application. Please refer to Part Two (page 25) for information relating to home to school transport. If the relevant year group in the receiving school has not reached the school's published admissions limit (including, where appropriate, the recognised number of reserve places) for children who's parents/carers have already applied for a place at the school for them, then the child should be admitted to the school. Parent/Carers should note that curriculum option choices may vary from school to school and this can present as a concern when moving schools during years10/11, due to GCSE's.

WELSH LANGUAGE POLICY

In accordance with the Welsh-medium Education Strategy (April 2010), it is the local authority's policy that every child should have the opportunity to learn and use the Welsh language. Provision is made for this in the following way:

- Welsh as a second language in English medium schools:
 1. Welsh is taught to all pupils at Foundation Phase. Emphasis is placed on the development of oral skills within a meaningful context. The incidental use of the language during the school day is encouraged.
 2. Welsh is further developed at Key Stage 2 with a greater emphasis on reading and writing skills.
 3. Since September 1999, Welsh has also been taught to all pupils at Key Stages 3 and 4.
- Provision for Welsh-Medium Education:
 1. Education is available at Welsh-medium primary schools to all pupils whose parents select Welsh medium education:

There are only two Welsh-medium primary schools in Merthyr Tydfil:-

- Ysgol Gynradd Gymraeg Santes Tudful
 - Ysgol Gynradd Gymraeg Rhyd-y-Grug
2. Although the main medium of instruction is Welsh, high standards in English are maintained.
 3. Pupils attending Welsh-medium primary schools will be able to continue their education in Welsh medium secondary schools outside the County Borough. The local authority has a successful partnership with Ysgol Gyfun Rhydywaun in Rhondda Cynon Taf.

Headteachers of Welsh-medium schools, in consultation with the local authority, have to apply the admissions criteria set out previously to determine priority for admissions.

Pupils living outside a school's designated catchment area, who are admitted to a nursery class, will not have an 'automatic' right to continued education within that school. Whilst every effort will be made to accommodate such pupils, a formal application must be made for transfer into the infant department at the appropriate time. To find out more about the benefits of a Welsh Medium Education, please refer to

the Being Bilingual Booklet via the following link or on the Council's website www.merthyr.gov.uk.

Becoming Bilingual Booklet

ADMISSION TO WELSH MEDIUM SCHOOLS

Have you thought of sending your child to Welsh Medium Education?

A brand-new seedling school opened in the Gurnos in April 2022, a seedling school to Ysgol Gynradd Gymraeg Santes Tudful.

The benefits to Welsh Medium Education are huge and this includes:

Being able to speak two languages

Having the opportunity to gain employment in Welsh once finished education

Welsh-medium education has a very simple aim - to enable children to become fully fluent in both English and Welsh while teaching all the other subjects across the curriculum.

Full support is given from the school to parents on helping their children with Welsh medium education.

Parents do not have to be Welsh speaking to send their children to a Welsh medium school.

ADMISSION TO VOLUNTARY AIDED SCHOOLS

Admissions Policy Blessed Carlos Acutis 3-16 school

This policy refers to admission in September 2023. The 3-16 Catholic school is a voluntary aided school in the Archdiocese of Cardiff. The Temporary Governing Body has sole responsibility for admissions to the school and will act in accordance with all relevant provisions of the Welsh Government's 2013 Codes on School Admissions and School Admission Appeals, and with the law on school admissions as it applies to maintained schools.

The Blessed Carlos Acutis 3-16 Catholic school has a Catholic ethos. The school is governed as part of the Catholic church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Jesus Christ. We ask all parents applying for a place here to respect this ethos and its importance to the school community. This does not affect the right of parents of other faiths, or of no faith background, to apply for and be considered for a place, as the school welcomes and encourages applications from all families.

The admission number for the school is 193, split across the four separate sites as follows:

Year 7 (Blessed Carlos Acutis site)	120
Reception (St Aloysius site)	23
Reception (St Illtyd's site)	22
Reception (St Mary's site)	28

Where there are more than 120 applications for year 7, and 73 in Reception, places will be allocated in accordance with the oversubscription criteria listed below.

Oversubscription Criteria

- 1 Children who are looked after by a Local Authority or who were previously looked after by a Local Authority.
- 2 Baptised Catholic children residing in the school's catchment area which is the parishes of Merthyr Tydfil, Mary Immaculate Parish (St Margaret's Primary school catchment), Abertillery & Brynmawr, Tredegar, Ebbw Vale and Rhymney, or who attend any of the following Primary schools:
St Margaret's, Aberdare
St Mary's, Brynmawr
All Saints, Ebbw Vale
St Joseph's, Tredegar
- 3 Siblings of children attending the school at the time the applicant would join the school.
- 4 Other baptised Catholic children.
- 5 Other children whose parents seek a Christian education.
- 6 Other children.

Confirmation of baptism (either certificate or letter from priest) is required for applications under 2 and 4.

Proximity

If the governors are unable to admit all applicants who fall into the lowest criterion a tie-breaker will be applied. In the case of all of the Primary sites, priority will be given to children living closest to the site, determined by the shortest walking distance from the applicant's home address to the main entrance to the site. Distances are calculated by the local authority's "mapping schools" system.

In the case of the Secondary site, priority will be given to children living closest to the site, determined by the shortest distance from the front door of the applicant's home to the Reception entrance in Phase 2. The Geographical Information System (GIS) will be used to calculate home to school distances in miles, while the shortest walking route will be calculated using Ordnance Survey (OS) customised route data from an applicant's home to the nearest open school gate.

Siblings

For admission purposes a sibling is a child who is the brother / sister, half-brother / sister (children who share one common parent), step brother / sister where two children are related by marriage. This definition also includes adopted or fostered children living at the same address. Priority will be by reference to the youngest sibling in the school at the time of admission, the youngest sibling commanding the highest degree of priority.

When allocating places, if the last place is offered to a multiple birth child (e.g. a twin or triplet), the governors will also admit the other sibling(s).

Residence

Evidence of permanent residence of the child at the time of application must be supplied. Permanent residence is considered to be the child's along with the parent / guardian's main place of residence. If the child is resident with friends or relatives (for reasons other than guardianship) the friend or relative's address will not be considered.

Shared parental responsibility

Where parents have shared responsibility for a child, and the child lives with both parents for parts of the week, the home address will be determined as the property where the child lives for the majority of the school week (i.e. 3 out of 5 days) at the time of application.

Looked after children / Previously looked after children

The definition of a Looked after Child is a child who is looked after by the Local Authority in accordance with Section 22 of the Children Act 1989. Children who are in the care of the Local Authority (looked after children) or provided with accommodation by them e.g. foster parents (section 106 of the Education Act 2005).

A child who has been in the care of the Local Authority as defined above for at least 24 hours will be regarded as a previously looked after child.

Additional Learning Needs (ALN) /Special Educational Needs (SEN)

Children in receipt of a statement of SEN which names the school will be admitted as will children with ALN who have an IDP (Individual Development Plan) which names the school.

Late applications and applications outside the normal admissions round

Late applications will be looked at after the applications received by the closing date have been considered. If the number of offers has reached the admission number in the first round, then all late applications will be considered and placed on the waiting list.

Applications outside the normal admission round, including in-year transfer requests, will be considered by the Admissions Committee. A formal decision either to offer or to refuse a place will be notified to the applicants within 15 school days or 28 calendar days, whichever is the sooner.

Waiting list

Children not offered a place will be placed on a waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription.

No account is taken of the length of time on the waiting list.

If offers of a place are refused then the place will be offered to the first child on the waiting list at that point in time. The order of the waiting list will vary as late applications are received, refused and placed on the waiting list in the order of the oversubscription criteria.

The waiting list will be maintained until 30 September.

Right of appeal

When a child is refused a place at a school the governing body will write to the parent giving full details of why the application was refused. Parents have a right to appeal this decision. Parents wishing to appeal the decision must return the appeal form within 14 days of the receipt of the decision letter.

The appeal will be heard by an independent appeal panel.

How to apply

Any parent may apply for their child to be admitted to the school. A form for admission can be obtained from the school office. Every application will be considered by the admissions committee of the Temporary governing body.

Nursery admission

The total number of nursery places available is 66 full-time or 132 part-time split across 3 sites as follows:

St Aloysius 20 full-time or 40 part-time

St Illtyd's 20 full-time or 40 part-time

St Mary's 26 full-time or 52 part-time

Nursery classes are non-denominational but priority in application for places will be given to:

- Children who are looked after by a local authority or who were previously looked after by a local authority.
- Children who have siblings already on roll at the School.
- Children who have attended the School's pre-Nursery Group.
- Children residing in the catchment area.
- Other children.

Attendance at nursery class will not guarantee a place in the School's Reception class, where a separate application form must be submitted at the appropriate time.

There is no right of appeal in relation to admission to the Nursery Class.

ADMISSION ARRANGEMENTS FOR PUPILS WITH ADDITIONAL LEARNING NEEDS

Pupils with additional learning needs may require access to specialist provision, such as a Learning Resource Base (LRB). Admission to a LRB is determined via a multi-agency panel and is regularly reviewed to ensure it remains the most appropriate provision for the child.

Where a child has attended an Early Years LRB, there is no automatic entitlement to attend a Key Stage 2 LRB, would be determined by the Admissions authority.

If a child has made sufficient progress to return to mainstream education, an application for admission would need to be made to their catchment area school. Parent/carers would retain the right to express a preference. In such case, any application for admission would be treated in exactly the same way as any other application for mainstream education and would therefore be subject to the published admissions process.

As a result of Welsh Government reform of special educational needs, from September 2022, Statements of Special Educational Needs will start to be converted to Individual Development Plan's (IDPs). This will be a 2 to 3 year rolling programme.

Pupils with additional learning needs but without an Individual Development Plan or Statement of Special Educational Needs

Admission arrangements for children with additional learning needs but without an Individual Development Plan or statement are treated on the same basis as other applicants. Applications in respect of such children are considered on the basis of the local authority's admission criteria.

Pupils with an Individual Development Plan for Additional Learning Needs or SEN

If a child has an Individual Development Plan or statement SEN maintained by the local authority, the local authority will be responsible for advising on additional learning provision to be made by the school, and for considering the school's suitability when either finalising the Individual Development Plan or statement or following an annual review.

All schools are appropriately resourced to meet additional learning needs through their own budgets. Some schools are further resourced with integral units addressing certain additional learning needs.

If the parent/carer of a child with an Individual Development Plan or statement of SEN wishes to appeal against the school named in the Individual Development Plans or statement, or that no school has been named, an appeal can be made to the SEN Tribunal for Wales, via their web page: <http://sentw.gov.uk> Information on Learning Resource Base provision, and the new system of Additional Learning Needs, is available on the website www.merthyr.gov.uk or contact Customer Contact Centre, Tel (01685) 725000.

ARRANGEMENTS WITH NEIGHBOURING LOCAL AUTHORITIES

Parents may apply for their child to attend any school, in any mainstream local authority, subject to that school/local authority's admission criteria and providing that school has sufficient places. Enquiries should be made to the admission authority of that local authority in the first instance.

APPLYING FOR A SCHOOL PLACE

Applying for a place in a school must be made officially via the On-Line portal to the local authority or direct to the governing body of a voluntary aided school. The published criteria "What Happens When Too Many Children Apply for Places?" listed on page 17 will place all applicants in order of priority for admissions. The local authority offers admission places during the term before a child is due to start school. Parents/carers should apply by 23rd December 2022 for admission to secondary school in September 2023 and by 23rd December 2022 for admission to reception class in primary schools in September 2023; and 30th November 2022 for admission to nursery class in September 2023. The authority will inform parents/carers whether or not it is possible for a child to attend the preferred school. Parents/carers should not hesitate to discuss their request with the Headteacher who will, if appropriate, arrange for parents/carers to visit the school. You must apply on-line for Secondary and Reception at www.merthyr.gov.uk/apply-for-a-schoolplace

Each school produces a prospectus which contains pertinent information including details of its aims and educational beliefs, organisation, curriculum opportunities, and any extra curricular activities. A school's prospectus is available from the headteacher of the school.

TIMING OF ADMISSIONS PROCESS

Secondary school admissions

Applications for admission to secondary school (Year 7) are to be submitted to Schools Department by no later than 23rd December 2022 and parents/carers will be informed on the 1st March 2023.

Any secondary application that is rejected will be offered an appeal which will need to be made by 17th March 2023.

Primary school admissions

Applications for admission to reception class are to be submitted to the Schools Department by no later than 23rd December 2022 and parent/carers will be informed on the 17th April 2023.

Any application for admission to reception class that is rejected will be offered an appeal which will need to be made by 28th April 2023.

Should an appeal application be unsuccessful, you will be offered a hearing by an independent appeal panel.

Late applications will be accepted provided a suitable reason for submission after the closing date is given. However, applications in respect of 'children looked after' or children with statements of SEN, naming a specific school, will be accepted when such applications are received.

WHAT HAPPENS WHEN TOO MANY CHILDREN APPLY FOR PLACES?

If the number of preferences for a school is below the school's admission number, all applications for admission to the school will be granted. Places cannot be reserved for 'in catchment' children unless they are children of reception age whose parents have applied for their entry to school to be deferred until a later date in the same school year.

If there are more applicants than places available, the local authority will apply the following oversubscription criteria in order to determine the allocation of available places:

Priority Category 1: 'Children Looked After' (children in public care) and previous 'Children Looked After'.

Priority Category 2: Children whose home is inside the school's catchment area and have an older sibling attending the school from the same address, at the date of application, who will continue to attend that school in September 2023.

Priority Category 3: Children whose home is inside the school's catchment area who do not have an older sibling attending the school.

Priority Category 4: Children whose home is outside the school's catchment area and have an older sibling attending from the same address, at the date of application, who will continue to attend that school in September 2023.

Priority Category 5: Children whose home is outside the school's catchment area who do not have an older sibling attending the school.

For the avoidance of all doubt the reference to 'home' in the oversubscription categories above and the 'tie breaker' below refers to the actual location of the residential dwelling in which the child lives. **PLEASE NOTE THAT:**

- Children will be classified as siblings if:-
 - a) They are full or half brother or sister
 - b) They are an adopted or fostered brother or sister
 - c) They are children living full-time/permanently in the same household i.e. stepbrother/stepsister

PLEASE NOTE THAT COUSINS, NIECES OR NEPHEWS ARE NOT COUNTED AS SIBLINGS

- Childcare/childminding arrangements or a parent's place of work cannot be taken into account when applying admissions criteria.
- The date a parent/carer request with a school that their child's name be put on their school's initial list is not a criteria for entry and does not guarantee a place; it merely enables an application form to be sent out at the correct time.

Please ring the Customer Contact Centre for advice (01685) 725000

VERIFICATION OF INFORMATION

1. Home address

Verification of address, for example a Council Tax Statement, recent utility bill, exchange of contracts, should be attached to the application form. This must be the child's permanent home address. Any place approved on the basis of residence will be withdrawn if the pupil is no longer permanently resident at the address at the beginning of the school term to which the application relates.

Parental Responsibility

Only persons holding parental responsibility for the named child on an admission application, can make an application and will be required to make a declaration as part of the application process. Typically, it is expected that the person applying, resides at the same address as the child and is referred to as the 'parent' for admission purposes. Where parental responsibility is equally shared, the council will ask the child's parents to determine which parent should submit the application. If parents cannot agree and neither party has obtained a court order stating who should be making the application, then the LA will accept an application from the parent in receipt of the Child Benefit for the named child on the application and proof of this will be required. Parents should resolve their differences privately and not expect the LA to intervene in disputes between parents.

2. Medical Need

Children recommended for placement for medical, psychological or special educational reasons (these must be confirmed by the local authority's professional advisers).

3. Multiple Births

If when applying the oversubscription criteria the last child to be admitted is one of a multiple birth e.g. twins, triplets, then the Authority will also consider admitting the other sibling(s), but will have due regard to infant class size legislation.

4. UK Service Personnel

Children of UK Service Personnel will be treated as in catchment if their application for admission form is accompanied by an official Ministry of Defence (MOD) or Foreign and Commonwealth Office (FCO) letter declaring a definite return and confirmation of the new address.

WHAT HAPPENS IF A CHILD IS REFUSED A PLACE?

All maintained schools (including schools with a designated religious character), that have enough places available must offer a place to every child who has applied. In the vast majority of cases children are offered places at their parents/carers first choice of school. If a child is unable to gain admission to a preferred school, parents/carers will need to decide whether they are willing to accept a place offered at an alternative school or whether they wish to continue with their first application. If parents/carers choose the latter course they may appeal to an Independent Appeal Panel. The Independent Appeal Panel will judge whether there is a case for a child to be offered a place. Before parents/carers appeal, they are advised to fully consider the school/LA's admission criteria. It should be noted that only pupils of statutory school age have a right of appeal.

The LA has a statutory power to direct the governing body for a maintained school for which it is not the admissions authority to admit any child where the child has been refused admission to each school which is a reasonable distance from the child's home. It is not necessary for the LA to use this power for community and voluntary controlled schools as such schools do not have the power to refuse admissions.

Since the introduction of the regulations regarding infant class sizes, admission authorities may refuse to admit a child to a school where admission would oblige the school to take measures such as employing an extra teacher or building an extra classroom in order to comply with the new limits. In an appeal against admission, the Appeal Panel will only be able to uphold an appeal if the decision was not one which a reasonable admission authority would make in circumstances of the case or the child would have been offered a place if the admission policy had been properly implemented.

Acceptance of a second or third choice of school offer, does not prevent parents/carers lodging an appeal against the decision not to admit the child(ren) to the first choice school.

Appealing a Decision

If you are refused a place for your child(ren) at your preferred choice of school, you will be notified by e-mail or post (applicable to Reception and Transfer to Secondary School – Year7). We will only refuse a place at a school if the number of places exceeds the admission number. Parents/carers may choose to appeal to an independent panel if they believe there is justification for further consideration. Parents/carers may submit a formal appeal against the LA, but this must be received within 14 days (10 working days) of being notified of the decision not to admit a child to their preferred school. Parents should submit their appeal in writing, stating the reasons for appeal, to: Chief Education Officer, Learning Department, Unit 5, Pentrebach, Merthyr Tydfil, CF48 4TQ. The LA will then refer the appeal to the Independent Appeal Panel.

Parent/Carers are advised that:-

- they may attend the hearing and make representation to the panel, either in writing or verbally, should they wish to do so.
- they may elect not to attend the appeal meeting and, instead, allow the appeal to be considered on a written statement being submitted
- they can be accompanied by a friend, adviser or an interpreter. However, LA Councillors are not permitted to attend. Parents/carers are requested to inform the Clerk to the Independent Appeal Panel of any representations at least seven days before the hearing.

PLEASE NOTE: there is no right of appeal for nursery places

ADMISSIONS AT OTHER TIMES

Application for admission to a primary or secondary school at other times e.g. for those moving into the County Borough, should be made to the Customer Contact Centre (01685) 725000, where an officer will be able to advise on the admission procedure and availability of places.

MID TERM ADMISSIONS

There may be circumstances where a parent/carer considers that a transfer to a different school, outside of the normal admissions round, to be appropriate. Such a decision should not be taken lightly. Parents/carers should think carefully before making such a request. A change of school may not be the solution and may even worsen the situation. There is evidence to suggest that the attainment levels of children who move schools, particularly in Years 10 or 11, can be lower than those who remain at the same school throughout their secondary education. In deciding whether to apply for a transfer, it would be worth considering a number of very important factors:

1. **Current School** – Have the problems that the child is facing with their current school been discussed with the Headteacher? In many cases, schools can put measures in place to deal with any problems that a child is encountering e.g. bullying or struggling with work. Whatever the problem, simply changing schools may not be the answer.
2. **Curriculum/Exams** – Although there is a National Curriculum that every child is expected to follow, schools may teach parts of the curriculum in different stages and at different times of the year. If your child changes school, they may miss out on important work and exam results may suffer as a consequence. This is particularly relevant in Years 10 or 11. However, applications should not be refused because a child has followed a different curriculum in a previous school.
3. **Transport** – If a child moves to a school outside of their designated catchment area, the local authority will not provide free transport to that school. Journeys to a new school may well involve additional buses, extra costs and travelling time.

If parents/carers are still uncertain about moving their child – talk it through!

There are a number of individuals within and outside of school, who parents/carers can talk to about a transfer:

School Admission Team (Tel. **01685-725000**); Headteacher; Head of Year; CLA Service.

If parents/carers have considered all these issues and still want their child to transfer schools they will need to request further information on how to apply from the School Admissions Team, Civic Centre, Castle Street Merthyr Tydfil CF47 8AN (Tel. 01685 725000), or by emailing ICS.school.admissions@merthyr.gov.uk or by completing an application online at www.merthyr.gov.uk

Upon receiving a request for admission/transfer, a parent/carer will be given an application form at the first point of contact. Once the form is received, the application will be considered without delay and a formal decision either to offer, or refuse a place, will be notified to the applicant within 15 school days.

If parents/carers are applying for admission/transfer to a voluntary aided school, an appropriate application form should be requested from the governing body of the school concerned.

SIXTH FORM ADMISSIONS (The College, Merthyr Tydfil)

There are no longer sixth form admissions to secondary schools within the authority. This provision will now be accessed via the integrated tertiary learning facility, The College Merthyr Tydfil. Admission queries can be sent via email to:

questions.college@merthyr.ac.uk Information is also available via www.merthyr.ac.uk/mtc

Pupils from Merthyr Tydfil who are taught through the medium of Welsh attend Ysgol Rhydywaun in Rhondda Cynon Taf which has a sixth form provision.

WAITING LISTS

For the more popular schools, which may become oversubscribed, the local authority maintains a waiting list. Following the allocation of places during the normal admission round, any pupil that is refused admission to an over-subscribed school will remain on this list, which will be maintained until 30th September (in line with the recommendation in the Schools Admissions Code). Thereafter parents/carers will be expected to make a fresh application for admission to their preferred school. Admissions in respect of pupils on waiting lists are determined by application of the over-subscription criteria, not by the length of time that a child has been on the waiting list.

CATCHMENT AREAS

A school catchment area is a geographically defined area of addresses which is used to ensure that all schools receive an appropriate number of pupils from within the community. Catchment areas are used;

- to give parents an indication of their local school.
- to help schools identify the communities they serve.
- to prioritise admission of local children to schools when there are more applications than places available.
- as a planning tool to enable the council to forecast demand for education in an area and to plan to meet that demand.
- to assist with the organisation of school transport.

The authority manages the admission intake to schools using oversubscription criteria which ranks catchment area children as a high priority in the event that there are more applicants than spaces available. From time to time a review of catchment areas is necessary to ensure they still reflect the needs of the schools they serve whilst recognising that parental preference is also important. This will ensure, as far as possible, that pupils living in an area will be able to secure a place at their local school. Changes are also designed to provide a closer geographical relationship with schools receive an appropriate number of pupils from within the community.

FOOD AND DRINK IN SCHOOLS

All schools in Merthyr Tydfil follow the Healthy Eating Initiative set out by Welsh Government. This provides the strategic direction and actions required to improve the nutritional standards of food and drink served in schools across Wales. For further information regarding Healthy Eating, please email or see the following :

E-mail: myschoollunch@merthyr.gov.uk or Website: www.merthyr.gov.uk/resident/schools-and-learning/school-dinners-and-breakfast-clubs/

School Meals

A catering service is provided in all Primary and Secondary Schools. All Food and Drink provisions are prepared, cooked and served by highly trained staff, using high quality products and ingredients that comply with all food safety legislation. Our menus comply with FSA and Welsh Government Food Standards and are written by a qualified Public Health Nutritionist. The service is tailored to meet the needs of the pupils and the school.

Specific dietary requirements for breakfast and lunch can be catered for, providing that the followed is completed:

- A letter from a medical practitioner supporting and confirming the allergy / intolerance to be provided to the school and the School catering team (myschoollunch@merthyr.gov.uk)
- For all religious / ethnic choice diets (including vegetarian diets), a request must be submitted in writing to the school catering team and the school.

Requests to the School Catering Department can be made using the online form below and upload relevant documentation supporting any allergy / prescribed diet

<https://www.merthyr.gov.uk/do-it-online/request-or-apply/special-dietary-requirements-form/?lang=en-GB&>

This process is encouraged to be completed before the pupil commences school in order to avoid delays in providing food provisions. A menu will then be provided to the school kitchen and parent

It is imperative that this form is completed if your child has a special dietary requirement so that we can provide an appropriate menu.

No diversion from the mainstream menu will be applied until the above has been carried out and completed.

For further information, please contact the Merthyr Tydfil School Catering Department on (01685) 725000 (and ask for School Catering) or email: myschoollunch@merthyr.gov.uk

All parents are encouraged to pre-book their children's meal(s) in advance via ParentPay since they have been registered at the start of the school term in September. Your child will then choose their meal option each day in school at registration.

Primary School Free Breakfast Initiative

A free breakfast is available for all pupils in all maintained primary schools. Please liaise with the Headteacher in the first instance with regards to exact time.

School Milk

Free milk is provided daily to all Foundation Phase pupils.

Universal Primary Free School Meals (UPFSM) – September 2022

Universal Primary Free School Meals (UPFSM) are being rolled out to **all pupils in full-time nursery and Reception class from September 2022**. This offer will be extended to all **Year 1 and Year 2 pupils by no later than April 2023**.

In response to the current rising cost-of-living, Welsh Government and Merthyr Tydfil County Borough Council are committed to implementing this scheme quickly and would ask for your patience as we build catering capacity to ensure a successful phased implementation with **a whole school roll-out to include Years 3-6 by September 2024.**

Although universal entitlement to free school meals is being rolled out to all pupils in Primary school over the next two years, **the Welsh Government still require eligible families to apply for 'free school meal' status.** Applying for 'free school meal' status will provide you with PDG Access Grant (School Uniform Grant) **which can be used on school uniform, PE equipment and IT for your child.**

As well as receiving the PDG Access Grant for each eligible child, your child's school and the Council will also receive additional money, which can be spent on supporting pupils learning in school.

If you receive any of the qualifying benefits listed in the 'Free School Meals' section below, please apply for Free School Meal status / PDG Access (School Uniform grant) online at the following

<https://www.merthyr.gov.uk/resident/benefits-and-grants/apply-for-free-school-mealspdg-access-clothing-grant/>

If you have any older children in primary school who already receives a free school meal, they will continue to do so, and no further action is needed for these children.

If you have any further queries regarding Universal Primary Free School Meals, please email UPFSM@merthyr.gov.uk or call 01685 725000 ask for the School Catering Department.

PROVISION OF FREE SCHOOL MEALS AND SCHOOL CLOTHING / EQUIPMENT

1. Free School Meals

Separate to the roll out of Universal Primary Free School Meals, all parents/carers who claim the qualifying benefits listed below should apply to the Council for a Free School Meal / PDG Access grant for your child. If eligible your child's school will automatically be told that he/she can be given a meal.

If you receive any of the benefits outlined below and have not previously applied for free school meals for your child, please apply for the entitlement to Free School Meals / PDG Access Grant (School Uniform Grant).

Qualifying benefits include:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household earnings must be less than £7,400 a year (after tax and not including any benefits you get)

In addition to qualifying for free school meals, the application means that your child will automatically be able to seek financial support towards the cost of a uniform, PE kit and IT equipment. (See section on 'Awards to Pupils' below)

Many children across Merthyr Tydfil may be entitled to free school meals and uniform grants but are not receiving them because they have not applied to the Council.

You can apply by collecting a Free School Meal / PDG Access application from your child's school, or the Benefit section at the Civic Centre, or online at the following link
<https://www.merthyr.gov.uk/resident/benefits-and-grants/apply-for-free-school-mealspdg-access-clothing-grant/>

2. Awards to Pupils

(i) School Uniform Grants / PDG Access Grant

Welsh Government provides a Pupil Development Access Grant (PDG Access) to assist families on a low income with the purchase of school uniform and other equipment for their children. The grant is available to eligible (eligibility is dependent on Welsh Government terms and conditions, which can vary year on year) compulsory school age pupils in primary schools, secondary schools, special schools, special needs resource bases, pupil referral units with an existing entitlement to free school meals. Pupils with a 'protected' entitlement to free school meals are not eligible for the PDG Access Grant. All Children Looked After of compulsory school age are entitled to the grant.

CHILDREN OF UK SERVICE PERSONNEL

School Admissions Code guidance relating to the children of service personnel

Normal admissions round/ where school places are available

Admission authorities must not refuse a place to the child of currently serving service personnel because the family is not yet living in the area. 'In year' movement should be treated the same as in advance of the school year. Whilst the parent/s remain in the armed forces the provisions of the Code that apply to children of UK Service personnel should apply. These are as follows;

'Children of UK Service personnel and other Crown Servants (including diplomats)

3.65 Families of UK Service personnel and other Crown Servants are subject to frequent movement within the UK and from abroad, often at relatively short notice. School places **must** be allocated to children and their families in advance of the approaching school year if accompanied by an official Ministry of Defence (MOD) or Foreign and Commonwealth Office (FCO) letter declaring a return date. Children of UK Service Personnel may be given excepted status for infant class size purposes when admitted to a school outside the normal admission round.

B. SCHOOL TRANSPORT POLICY

The authority has a statutory duty to provide pupils with free transport to the nearest available school if they reside beyond 'walking distance' to that school. The law relating to 'walking distance' is defined as two miles for primary age and three miles for secondary age, measured by the nearest available safe walking route. Merthyr Tydfil County Borough Council currently provides transport as follows:

- for primary age pupils residing over 2 miles from their nearest or designated catchment area primary school and;
- for secondary age pupils residing over 3 miles from their nearest or designated catchment area secondary school.

The latest information can be found on the authority's website; or by contacting the Customer Contact Centre (01685) 725000.

The distance criteria apply to all schools including Faith and Welsh-medium schools. However, where pupils attend, as a result of parental choice, a school other than the nearest or designated catchment area school, it must be understood that parents accept full responsibility for transport costs and arrangements. If a child qualifies for free transport, a place will be provided on a contract vehicle serving the particular area.

C. LIST OF SCHOOLS

All schools within the Merthyr Tydfil County Borough Council are co-educational

All schools within the Merthyr Tydfil County Borough are day schools

All schools teach through the medium of English, except the two Welsh Medium Primary Schools

The Local Authority constantly reviews the Planning of School Places, which could result in a change to the Admission Number. Subsequently the schools recorded Admission Number may be amended
