

The Merthyr Tydfil Schools' Climate Charter

EMPOWER: COMMIT: OUTCOMES

Our Vision

Empower

- ★ Children and young people give their ideas to develop the Schools' Climate Change Charter.
- ★ Schools, their students and their communities will commit to the actions.

The Merthyr Tydfil Schools' Climate Charter will **EMPOWER** Schools, their students and their communities, to have a choice and plan their part in climate action.

Commit

- ★ There are 10 commitments that schools will put into action.
- ★ Schools and their communities will support each other by giving ideas on how to make changes.

As part of the Charter, schools will **COMMIT**, to action.

Outcomes

- ★ Schools and their communities will make changes that support climate action.
- ★ Together we will create a **CLEAN & GREEN** Merthyr Tydfil.

Through their commitments, they will achieve incredible **OUTCOMES**, leading to the creation of a clean and green Merthyr Tydfil.
